Photos, Figures, Graphs and Images

☐ Please utilize only high-resolution images. They should be submitted as separate jpeg or png files (not within the manuscript in Microsoft word). Minimum resolution is 300 dpi.

☐ Please confirm that the images used in the article are in the correct order and named correctly.

☐ Each figure needs a legend that should be placed at the end of the manuscript document and labeled correctly.

☐ All abbreviations used should be defined in the legend

☐ All figures need permission to be used. Please include proper citation with permission in the legend.

Tables

☐ Please submit all tables as a separate page at the end of the manuscript.

☐ Please confirm that the table used in the article are in the correct order and named correctly.

☐ Each table needs a legend that should be placed at the end of the manuscript document and labeled correctly.

☐ All abbreviations used should be defined in the legend

☐ All tables need permission to be used. Please include proper citation with permission in the legend.

References requirements

☐ Authors are responsible for the accuracy and completeness of their references and for correct text citation. Please number references in the order they appear in the text; do not alphabetize.

☐ Please use **superscript Arabic numerals** to reference your material.

☐ References should be placed **after** the punctuation.

When listing references, follow AMA style and abbreviate names of journals according to the journal's list in PubMed. List all authors and/or editors up to 6; if more than 6, list the first 3 followed by "et al." For Example:

    a. Magill SS, Edwards JR, Bamberg W, et al. Multistate point-prevalence survey of health care–associated infections. *N Engl J Med.* 2014; 370:1198-1208.

    b. Krediet AC, Kalkman CJ, Bonten MJ, Gigengack AC, Barach P. Hand-hygiene practices in the operating theatre: an observational study. *Br J Anaesth.* 2011; 107:553-558.

    c. Please include in your title page if Endnote or another software tool for references is used in your submission. If using endnote, the citation style is: "JAMA".

Copyrights

August 2024

☐ Authors must submit written permission from the copyright owner (usually the publisher) to use direct quotations, tables, figures, or illustrations that have appeared elsewhere, along with complete details about the source. Any permission fees that might be required by the copyright owner are the responsibility of the authors requesting use of the borrowed material, not the APSF. Unpublished figures require permission of the author.

Submission address

☐ Submission emailed to newsletter@apsf.org

Additional Information

☐ All submissions should be written in Microsoft Word in Times New Roman, double- spaced, size 12 font.

☐ Please use metric units whenever possible.

☐ Please introduce an abbreviation only if it is used in the manuscript 3 times. Please define all abbreviations the first time it is used.

☐ Please use generic drug names.

☐ Please be aware patient privacy regulations and avoid using patient name or personal identifiers

☐ *Plag*iarism (including self-plagiarism) is strictly prohibited.

☐ Please use only one space after a period (or other punctuation mark at the end of a sentence).
